

Fence Stile Vineyards & Winery

The ultimate gift for wine lovers!!

Become a Fence Stile Winegrower!!

Enjoy good wine? Want to be part of a vineyard? Want to learn how to make wine? Why not become a Fence Stile Winegrower??

A winegrower is a person who cultivates grapes and makes wine from them. Our Fence Stile Winegrower program allows you to become part of the entire process from vine to wine (essentially adopt-a-vine)! You can choose the level of involvement you'd like to have – help plant, prune, harvest, crush, &/or bottle – it is up to you.

Fence Stile Vineyards, located just 40 minutes from downtown Kansas City is set in the rolling hills of scenic Excelsior Springs. Established in 2007, the boutique vineyard is located on 60 acres just south of the Excelsior Springs golf course. The tasting room and winery are set amongst the vines with a beautiful patio and firepit ideal for entertaining and relaxing.

We offer two levels of programs and you have the choice to renew your sponsorship annually. This makes a perfect and unique gift. By becoming a Fence Stile Winegrower, you become a part of the vineyard and winery experience from the beginning – from the grape to the glass!
